On 04/09/2015 at approximately 17:45 hours I responded as a back up unit to a armed disturbance at 9265 Quail Roost Dr in Navarre. Upon arrival Sgt Miller had suspect at gun point. I was directed by Sgt Miller to secure Deputy Ray's taser and his less lethal shot gun from the front yard of the residence. I placed the items in Sgt Miller's patrol vehicle and assisted Deputy Burris who had arrived with first aid for Deputy Ray. Once both suspect and Deputy Ray were transported from the scene by EMS I spoke with Mia Ann Bryant the complainant in this incident and John Eugene Bryant.

Mia completed a sworn statement in which she stated her son the suspect in this case later identified as Gordon Talmage Kimbrell was intoxicated when she arrived home from work. Mia stated Gordon had drank about a half of bottle of rum. Mia stated she requested Gordon to stop drinking. Mia stated Gordon became violent and started picking up kitchen knives and throwing them at her. I observed two knives on the kitchen floor one was just laying there and the other was stuck blade down in the floor.

Mia stated that her husband came out of the bedroom to try and calm Gordon. Mia stated Gordon began coming at them with the knives in his hands. Mia stated John protected her and backed into the bedroom and closed the door. Mia stated Gordon began stabbing the door with a knife. Mia stated she called [REDACTED] and waited inside the room. Mia stated Gordon went out the front door of the residence with a large sword. Mia stated they locked the front door and went to the rear of the residence to try and secure a door Gordon had broken. while speaking with Mia I observed the stab marks and damage to the bedroom door.

I then spoke with John Eugene Bryant. John's statements coincided with the statements made by Mia.

John added that Gordon was trying to get to him when he was slashing the chair with the

knife. John stated that once Gordon went out the front door he locked the front door. John stated he looked outside and saw Gordon was holding a sword. John stated Officers showed up and Gordon attacked them. John stated then he heard gun shots. John completed a sworn statement in regards to this case. I also completed all Domestic violence paperwork with Mia and John. I remained in the living room of the residence until relieved by Captain Watson and FDLE investigators.

This is all the information I have in regards to this case. See investigative supplements for any further information.

This incident occurred in Santa Rosa county, Florida.

On 04/09/2015, I responded to the Baptist Hospital Emergency Room at 1110 Gulf Breeze Parkway, in reference to Lifeguard E.M.S. transporting the suspect to this facility in cardiac arrest. The suspect, who was identified as Gordon T. Kimbrell was pronounced by Dr. Kevin Edwards at 19:19 hours. F.D.L.E. Special Agent Mark Brown responded and photographed the deceased.

Investigator Eric Esmond of Medical examiner's office arrived at 21:05 hours.

The Florida Body Removal Service (Ron Snow) arrived at 21:25 hours

This ended my involvement in this case.

On 4/9/2015, I was traveling into Navarre to my residence. A disturbance came over the radio about a male subject attempting to enter his parents room armed with two knives. I advised Sgt Miller I could be en route for backup and he agreed. As I approached Pawnee Drive I overheard shots fired suspect and officer down. I arrived on scene and observed Dep Ray bleeding from both hand areas. Sgt Miller instructed me to render medical aid to Dep Ray along with Det Burris and Dep Durbin. I placed Dep Ray upright against me and kept his hands raised above until Holley Navarre Fire Department and Lifeguard EMS arrived. While Dep Ray was being transported to Baptist Hospital, I assisted with the police escort along with Gulf Breeze Police Department, Pensacola Police Department and Escambia County Sheriff Office. Upon arrival at the hospital, I remained by Dep Ray's side until he went into surgery. I stayed at the hospital until Dep Ray came out of surgery and I was released by Dep Aloy.

This includes my involvement in this case.

I ran emergency response and arrived at the location as Fire Dept personnel were responding. I saw Deputy Ray, injured, being attended to by Deputies Robinson and Durbin. Sgt Miller was standing near the suspect, Gordon Kimbrell who had been shot several times. Kimbrell was breathing and I attempted to apply pressure to the wounds that were still bleeding. I was relieved by FD personnel and I stood by with Sgt Miller until Capt. Johnson arrived. I went inside to speak with the family to suggest we take them to a neighbors home while the scene was being secured and they declined. I then checked out with Captain Watson and departed to resume my tour of duty.

On 4/9/2015 I assisted Deputies at 9265 Quail Roost Dr by blocking traffic from entering the area of the crime scene. I conducted traffic control from approximately 1800 hours to 2300 hours. My duties were to stop all traffic attempting to travel East bound on Quail Roost Dr unless told otherwise by Captain Johnson. I also instructed all news organizations to a meeting point on the West end of Quail Roost Dr where Captain Johnson met them for briefings.

This is my total involvement in this case.

On 04-09-15, I responded to the incident on Quail Roost to provide any assistance that I could. When I arrived on scene there were three firefighters actively providing medical assistance to Deputy Ray. They had already placed Deputy Ray on a backboard and were waiting for another ambulance crew to arrive on scene to transport Deputy Ray. I attempted to calm Deputy Ray by talking with him and tried to reassure him that he would be alright. I then assisted placing Deputy Ray on the EMS stretcher.

Once Deputy Ray was transported I moved Sgt. Miller's patrol vehicle, car # 349, into the driveway of the suspect's home so he could have a place to cool off and be out of sight of the civilians that were standing on the street outside of the taped off crime scene. I then assisted Deputy Perkins in taping off the inner area of the crime scene. I remained in the driveway area until Lt. Musselwhite, Captain Johnson, and Captain Watson arrived on scene. I then relieved Deputy Rudd, who was stationed on the roadway west of the crime scene. Deputy Rudd left to get fuel and something to drink. I manned the roadway until Deputy Rudd returned. Once Deputy Rudd returned I left the scene and returned to my patrol functions in Milton.

On 04/09/15 at approximately 1739 hours, Santa Rosa County Sheriff's Office patrol units were dispatched to an armed disturbance at 9265 Quail Roost Drive in Navarre, Florida within Santa Rosa County. Dispatch advised that the complainant, and her husband, had locked themselves in a bedroom. The complainant's son had thrown a knife at the

complainant and was currently stabbing the bedroom door with a knife.

When the call was dispatched, Dep. Ray and I were at the District Two office at 8597 High School Boulevard in Navarre, Florida. We responded, both in marked patrol cars, utilizing emergency equipment. While en route, Dispatch advised that the complainant's son had gone outside, armed with a sword, and was trying to enter the residence through a side door.

At approximately 1743 hours, Sgt. Miller arrived at 9265 Quail Roost Drive, followed seconds later by Dep. Ray and me. Sgt. Miller was parked on the North side of Quail Roost Drive. Dep. Ray parked on the South side of Quail Roost Drive, on the Northwest corner of 9265 Quail Roost Drive. I parked on the South side of Quail Roost Drive, on the Northeast corner of 9265 Quail Roost Drive. All three vehicles were readily identifiable marked patrol vehicles with emergency lights left activated. Sgt. Miller and Dep. Ray were wearing readily identifiable Sheriff's Office patrol uniforms. I was wearing plain clothes, displaying a Sheriff's Office badge and firearm.

Sgt. Miller deployed with a bean bag shotgun. Sgt. Miller and Dep. Ray approached the residence while I was parking and exiting my vehicle. They were initially out of sight due to vegetation along the property line. When I exited my vehicle, I heard the bean bag shotgun firing. I un-holstered my pistol and ran South, down the driveway.

As I was approximately half way down the driveway, I observed Sgt. Miller standing to the Northeast of the residence, aiming the bean bag shotgun at something out of site on the Northeast side of the residence. Dep. Ray was moving across the front of the residence from West to East with a Taser. The suspect came into view from the Northeast side of the residence. He was holding a large sword. He was approaching Sgt. Miller's position. I heard Dep. Ray fire his Taser at the suspect. This had no effect on the suspect. The suspect then approached Dep. Ray while swinging the sword at Dep. Ray. The suspect struck Dep. Ray with the sword multiple times. At this time, I had reached the South end of the driveway.

Dep. Ray fell backwards yelling "shoot him!" I aimed my pistol at the suspect. Sgt. Miller yelled "drop the sword". The suspect continued attacking Dep. Ray. Sgt. Miller then fired his pistol at the suspect. I began backing up to get out of Sgt. Miller's line of fire. Sgt. Miller fired several rounds at the suspect. This seemed to have no effect on the suspect. The suspect turned towards Sgt. Miller. Sgt. Miller fired several more rounds at the suspect. The suspect fell to the ground, still holding the sword. Sgt. Miller ordered the suspect to roll over. The suspect released the sword and rolled onto his back. The sword was lying across the suspect's chest. I kicked the sword, West, across the yard. Sgt. Miller held the suspect at gun point. I radioed to Dispatch that shots had been fired and the suspect and a deputy were down. I requested EMS to be en route at approximately 1744 hours.

Dep. Ray was bleeding from both hands. I had him kneel down near a car in the driveway. I could not see the injury to Dep. Ray's right hand because he was applying direct pressure to it. However, it was bleeding much worse than his left hand. I utilized Dep. Ray's patrol trauma kit to wrap his right hand with hemostatic gauze. I then wrapped it further with sterile gauze. Dep. Durbin arrived on scene seconds later and provided a second trauma kit.

Dep. Ray's left hand had an obvious injury to the pinky finger. It had been sliced open length wise exposing the bone. I wrapped the finger with hemostatic gauze. Dep. Ray's uniform shirt,

ballistic vest, and duty belt were removed to check for other injuries. I did not observe any obvious injuries to his upper body. I observed a large cut on the inside of Dep. Ray's right pant leg. Dep. Ray's pants were removed. I observed a cut across his left knee, and a puncture wound on the back of his right thigh. Neither wound were bleeding heavily.

I continued to provide care to Dep. Ray as other deputies arrived on scene. Fire Department personnel arrived and began treating both Dep. Ray and the suspect. I advised the Fire Department personnel that I had wrapped Dep. Ray's wounds using hemostatic gauze.

Sgt. Miller requested Dispatch notify the watch commander and send an Admin page about the incident. Sgt. Miller also requested crime scene and Major Crimes respond.

I retrieved my digital camera and began photographing the scene. Twelve photographs were taken to document where the sword, Taser cartridge, bean bag shells, and patrol vehicles were located, in case they were disturbed by responding personnel.

I noticed a growing crowd of neighbors forming in the street. I briefly spoke to them and determined that none had seen the incident. However, all heard the gunshots. Some told me they had heard someone yelling to drop the sword, prior to hearing the gunshots. I passed around a note pad and had them write their names and addresses down. I advised them FDLE would be contacting them once they arrived on scene.

Dep. Swindell and I then placed crime scene tape along the North and East property line. Dep. Swindell then began a crime scene log.

FDLE was requested to respond to the scene.

When Sheriff's Office administrators arrived on scene, I briefed them on what had occurred.

I aided in crowd control and scene security until FDLE agents arrived. I briefed the agents about the incident and walked them through the crime scene. I also provided them with the names and addresses I had obtained from the neighbors. When FDLE's crime scene unit arrived, they photographed me and my clothing.

I met with FDLE Agent Schachle at the District Two office. I gave a recorded verbal statement to Agent Schachle. I also provided her with a disc containing the photographs I had taken of the scene.

I submitted a FDLE property receipt into records.

Upon arrival I observed Det. Burris wrapping Dep. Ray's hands and arms. Dep. Ray had blood covering his hand and arms. I began to assist Det. Burris with first aid to Dep. Ray and the removal of his clothing. While doing so, I observed Sgt. Miller with his duty weapon drawn standing approximately 8 feet from a white male subject who was laying on the ground. Sgt. Miller then requested me to enter the residence and check on the family. I did an initial check of a male and female inside the residence, but no injuries were noted. At this time I did not identify the subjects inside the residence. I then exited the residence and was requested to handcuff the suspect, Gordan T. Kimbrell (3/18/93). At this time Fire and EMS personnel arrived on scene and began providing first aid to both Dep. Ray and Gordan.

I was then directed to put up crime scene tape around the perimeter and begin a crime log. At 1824 hours I began the crime log and the following people where already inside the crime scene: Dep. Perkins, Sgt. Hall, Sgt. Miller, Sgt. Erleman

On July 23rd, 2015 The Office of the State Attorney via memo noticed the Santa Rosa Sheriff's Office of their findings that Sgt. Brian Miller was justified in his use of deadly force in the shooting of Gordon Kimbrell. These findings were based upon the results of an investigation into the shooting by FDLE Special Agent Jane Schachle as was documented under their case# ( FDLE PE-27-0081). A copy of the memo from the SAO will be placed into case management. This agency does not have any of the investigative reports or documents from the FDLE.

In so far as this case is concerned, the initial case being against Gordon Kimbrell for aggravated assault, that case is closed and cleared exceptional due to the death of the offender.
